

CALL FOR PROPOSALS

BROWN TEACHER-SCHOLAR FELLOWS

The Brown Center for Faculty Innovation and Excellence invites proposals for residency fellowships that bring niche expertise to the Stetson learning community and contribute to Stetson University's mission to "provide a transformational education in a creative community where learning and values meet". Proposals may focus on expertise in any disciplinary or interdisciplinary field. Proposals from interdisciplinary or issue-focused teams that span departments, colleges or schools are especially encouraged.

CURRENT FELLOWS

David Johnson

*Brown Teacher-Scholar Fellow in
Developmental Writing and Writing
Center Studies*

David Johnson will help enhance and reconfigure the developmental writing course at Stetson, offer strategies toward incorporating anti-racist pedagogies and assessment practices among Stetson faculty, support the university Writing Center as the Assistant Director, and teach classes in both developmental writing and his specialization on language and race.

Janardan Mainali is involved in the Institute of Water and Environmental Resilience's various projects including vulnerability and adaptation analysis of the South-East United States and various environmental research projects involving counties and cities in Florida

Dr. Janardan Mainali

Brown Teacher-Scholar Fellow in Environmental Resilience

Elizabeth Tristano joined Stetson University to continue work with introduced and invasives on native species, with an emphasis on the effects of invasives on native species and the management implications of species introductions.

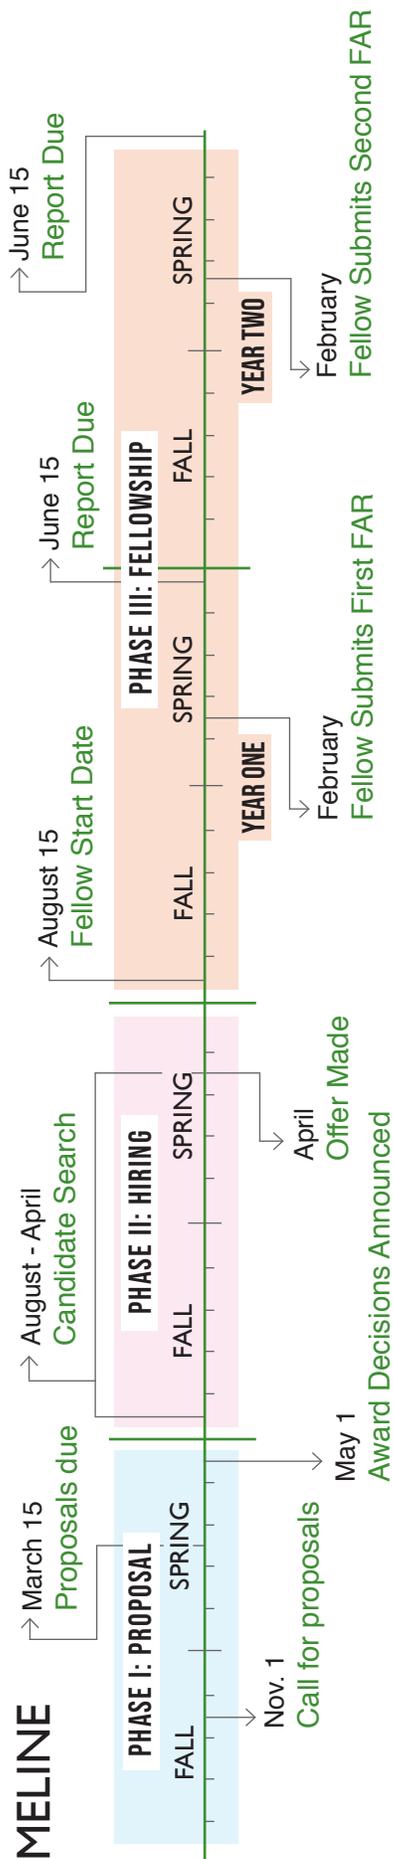

Dr. Elizabeth Tristano

Brown Teacher-Scholar Fellow in Biology
