UNIVERSITY

Student Success Collaborative (SSC)

Provides valuable information and features to support our work to increase student retention and persistence to graduation

- 1. Issue alerts** – mobilize response from campus partners to address concerns about a student. Monitor the progress of the outreach.
- 2. Schedule meetings** – allow students to access your availability and set up meetings. Syncs with Outlook!
- 3. Track usage of services** – Any time a student checks in for tutoring, writing center, success coaching, study time, etc. is logged in the student's history. See if the student took advantage of the service you recommended.

Click “Stetson SSC” on the faculty tab of myStetson

Contact studentsuccess@Stetson.edu or (386) 822-7127 with questions

Training opportunities forthcoming!

CLaSS focus 2017-2018

- CUB Construction:
