Can I create a link from the navigation menu as I could in Blackboard?

Canvas by default does not allow users to add links to the navigation menu like in Blackboard. However, there is way to add a link to a page from the navigation menu in Canvas using an app called "Redirect." To add a link to page using Redirect, follow the steps below.

1. From the left side navigation menu, click the "Pages" link.

7. Click the Redirect tool icon. Then, click the "+ Add App" button.

8. In the "Add App" dialog, replace "Redirect Tool" with the name of the link you would like to appear on the left side navigation menu (e.g., "Office Hours") in the "Name" textbox. In the "URL Redirect" textbox, replace "https://" with the URL you copied from step 4 by pressing ctrl+v. Then, check the "Show in Course Navigation" checkbox and click the "Add App" button.
